\*Recommended, but not required by legislation, to break out data by Remote/Not Remote students and include 3 benchmark periods

\* At the time of Fall 2020 NWEA Testing 100% of students were virtual.  
 Winter and Spring 50% of the students remained 100% virtual.

-Scores are not 100% accurate representations of students academic ability, based on the school not being able to control the HOME environment the tests were administered in.
